

EXCHANGE PROGRAMS

2017-2018

Over the past years, Echanges Azimuth has organized exchange opportunities for students from English School Boards from Quebec with other countries, including France and Spain.

Four years ago, the ETSB's international program also established a partnership with Collegio Celta, a private IB school in Queretaros, Mexico, to conduct a similar exchange, giving our students a vast selection of programs to choose from. All exchange programs include a homestay component.

Participating in an international exchange is undoubtedly an exciting, educational opportunity for you. It not only fosters autonomy and self-confidence, but also allows you to experience different cultures and surroundings while acquiring a third (or even fourth!) language.

If you are interested in participating in these exchanges and would like more information, please do not hesitate to communicate with Eva Lettner @ 819-868-3100 ext 55110, lettner@etsb.qc.ca.

*** Please note that all students must receive permission from school administration to participate.**

For Students in Sec III-IV-V:

ETSB-Quéretaros:

Founded in 2002, Colegio Celta offers the International Baccalaureat Program (IB) to its students ranging from preschool to high school. The 7.5 acre campus is located in the safe surroundings of Queretaros, Mexico, one of the smallest states in Mexico, renowned for its varied ecosystems, ranging from deserts to tropical forests.

Students interested in participating in this exchange will be accommodated free of charge within the home of a Mexican exchange student. In return, this student will attend an ETSB school for a 4-month period, residing within the selected participants' household. Families will be compensated \$1500 for room and board.
