A student in the concentration program is expected to maintain a strong academic standing and behaviour throughout the school year. All students are expected to be positive role models, both in school and in the community.

Students are recommended a standing of a 70% overall average, and/or no failures. Any students with an average below 70% and/or a failure in any class may be accepted conditionally on probationary status. Please note that due to class size restrictions, once a group is full, remaining applicants will be on a waiting list until such time as numbers warrant opening another group.
