A student in the concentration program is expected to maintain a strong academic standing and behaviour throughout the school year. All students are expected to be positive role models, both in school and in the community.

Students are recommended a standing of a 70% overall average, and/or no failures. Any students with an average below 70% and/or a failure in any class may be accepted conditionally on probationary status. Please note that due to class size restrictions, once a group is full, remaining applicants will be on a waiting list until such time as numbers warrant opening another group.

**Science Concentration**

**Getting excited about Science and  
Technology**

**Approximate cost of the Program**

- 1st year student in program - \$500.00
- 2nd year student in program - \$430.00

A project-based curriculum, through an intensive, hands-on, and highly technological approach. Students will go into greater depth in each topic as they apply what they are learning to a project that they can see, touch, and make decisions about.

**SECTION B: UNIFORMS**

We have adopted a new ordering system for the uniforms in all of our concentration programs. With this new system, all ordering will be done through the internet and directly with Lecoureur. There will be no more ordering through Galt for concentration uniforms. Payment will be done through Lecoureur (website), and the uniforms will be delivered directly to Galt where your child can pick it up. Throughout the year, there will be 4 different times where you will be able to order new clothing. **THE ORDER FOR 2020-21 WILL TAKE PLACE IN MAY.**
