

Alexander Galt – Online Course Selection Guide (2020-2021)

Dear Parents/Guardians & Students,

Course selection for Alexander Galt for the 2020-2021 school year will take place between **March 9th – March 20th**. This year, students will once again be able to complete their course selection form online by logging into to the student portal. Ms. Bergeron (replacing Ms. Thibault) and Ms. St-Hilaire will be visiting all Math classes during this time to go through the course selection process with students. Below you will find a quick guide that may prove useful when completing the online course selection process.

Parents: It is extremely important that registration be completed prior to March 10th, otherwise your son/daughter will not be able to complete the course selection process. Registration can be completed by connecting to the secure MOZAIK via the ETSB website (under the PARENTS TAB) or by pointing your browser to:
<https://inscription.espacemozaik.ca>.

General Guidelines:

1. Course Selection is made up of **Assigned, Required and /or Complementary (Options)** courses that you must choose from.
2. Being a web site, you just need to click on each selection in order of preference.
3. Where there are only two choices, the first choice you click on is your default #1, and the remaining choice is automatically registered as your second.
4. When selecting your Arts education, please click on your choices in order of preference, 1 through 4. Whenever possible your first choice is given to you, but as this process is on a first come, first served basis, your alternate choices are considered firm commitments.
5. A complete timetable is **36 periods** and you will not be able to click on the button to confirm your choices until that number has been achieved.
6. All placements are re-evaluated pending final June results.
7. Any course or program with low enrolment is subject to cancellation. Alternate choices are considered firm commitments.
8. You may not modify your choices online once they have been made, so choose carefully!
9. Students that do not complete their course selection will be assigned their courses for next year based on availability.

Alexander Galt – Online Course Selection Guide (2020-2021)

Accessing Course Selection Form

Students: You will only be able to login to the MOZAIK website to complete your course selection on the day of the scheduled visit. The schedule for the classroom visits can be accessed by clicking on the following link:

<https://docs.google.com/document/d/14LL2KHpyVj-ame2loymjfvz4S41fbhpuVq0151mDE/edit?usp=sharing>

Access the course selection form online by logging into the student portal:

<https://portal.edu.etsb.qc.ca/> (Under Intranet Tab - My course selection) and follow the steps provided.

Please remember to click on confirm my selection to finalize the process once you have made your selections.

Confirm my selection

Reminder: If a total of 36 periods have not been selected then you will not be able to confirm.

Once the online course selection process is completed, further course changes will only be possible by contacting the school directly. Your parents will also be able to review the selections you have made.

The next few pages illustrates what you will see when completing the course selection process via the MOZAIK website for each level.
