Dear Parent and/or Guardian,

We invite you to join us this **Thursday, November 26th, from 7-8pm** for our very first Virtual Informational Session on the Concentration Programs, via Zoom. You will have already received an email with information concerning the application process for the Concentration Programs at Alexander Galt for the 2021-22 school year. With the ongoing pandemic, we thought that it may be helpful to have an informational evening via zoom to present the different programs. Our primary objective, of the evening, is to provide you with an overview of the concentration program(s) which will include:

- The programs' structure & scheduling
- The academic and behaviour requirements
- Concentration specific information (Sports, Performing Arts, Visual Arts, & Science)
- 2021-22 Concentration Application information
- Question Period
