

# THE GUIDANCE COUNSELLOR

As the Guidance Counsellor, Ms. Valérie Ouellet advises current and prospective students on educational issues such as course and program selection, school adjustment, attendance problems, study skills, career planning, labour market trends, financial assistance and personal development.

She counsels students regarding career or vocational issues including career exploration and planning, résumé preparation, job interview skills and job search strategies either through individual meetings or in a group setting. As well, she makes available to them a wide range of educational and occupational information. Students are welcome to visit the Career Resource Centre (G-301).

As a member of the Student Services Crisis Response Team, she works closely with other professionals such as the social work officer, the re-adaptation officers and spiritual animator to counsel students who are experiencing personal, social and behavioral problems
