**Important Reminder – School Fees Not Tax Deductible:** Please be advised that tax receipts will not be issued for the 2024-2025 school year. While elementary and post-secondary schools are eligible for tax receipts, secondary schools do not qualify.

Additionally, for both the last school year and the current school year, the government has provided funding that covered a portion of the sports concentration programs and fully covered all extracurricular activities. As a result, we are unable to issue tax receipts for these fees, as they were not paid by parents or guardians.

If you have any questions or require further clarification, please do not hesitate to contact us at (819) 563-0770 ext: 22056. We appreciate your understanding.
